Dear Friend of All Animals,

As I walk throughout the sanctuary, I look into the eyes of so many loving animals, all living their life in peace, knowing they are safe, that they have a comfortable place to sleep, good food and people who care for them as their very own. They are the lucky ones, the ones who found their way to **Desert Haven Animal Refuge.**

I know the Sierra County Humane Society can only do this work of love with the help of people who believe in and support the work we do. The ongoing costs to arranging adoptions, subsidizing our spay-neuter services and managing our veterinary expenses are never ending. Our biggest financial challenge is maintaining a dependable source of funds to help us meet these on-going expenses.

YOUR MEMBERSHIP MATTERS. We depend on YOU and on people like YOU. Please join with us today – renew your membership, or send a donation – any amount you can spare - to help us help our defenseless animal friends. Your contribution or membership gift will help cover the costs of sterilizing a cat a dog, promote our Humane Education program, and keep our direct care and service programs working for the benefit of our animal friends.

We make a difference. So can YOU. Impact your world. Be part of the solution.

Sincerely

SPAY-NEUTER PROGRAM

WE COULDN'T DO IT WITHOUT YOU!

We thank each and every one of you who routinely contributes to support our comprehensive Spay-Neuter & Spay-a-Stray program. Because of **YOU**, we give a much needed hand to Sierra County Residents who need a little incentive to sterilize their dog or cat, or a feral cat around their home.

RAINBOW BRIDGE PET CEMETERY

Here at Desert Haven, Rainbow Bridge Pet Cemetery is the final resting place for beloved animals who eventually cross the Rainbow Bridge too. You can honor your special fur-kid by making a gift to homeless animals in his or her name. This makes it possible for homeless, neglected, abandoned animals to be rescued at the sanctuary and live and be cared for with love and dignity until they find their Forever Home or until the end of their natural life.

THE WORK OF THE SIERRA COUNTY HUMANE SOCIETY is supported entirely through the donations of our members and friends of animals from all over. Our local business community is very supportive as well, and we are so grateful to each and everyone who gives us a hand. Thank-you for giving and for making sure that for animals like the residents at Desert Haven who have expected so little from life in the past, from here on, every day, all year long, their lives will be filled with warmth and love and special treats.

Thank you for being part of this work of love.
